STATEWIDE ON-CALL COMMUNITY ASSISTANCE CONSTRUCTION ENGINEERING AND INSPECTION SERVICES QUALIFICATIONS-BASED SELECTION CONTRACTS FOR DOT DIRECT MANAGED LOCAL PUBLIC AGENCY PROJECTS

POSTING DATE: January 8, 2024

SCOPE OF WORK:

Two (2) Statewide On-Call Agreements, anticipated to have a maximum value of \$1,000,000, each over a five-year term, are needed to provide on-call Construction Engineering and Inspection services for various locally administered transportation projects located throughout the state. Tasks may include:

Services required for these contracts includes, but is not limited to:

- Providing the Department with construction oversight of State Bridge Aid and other state funded, locally sponsored, construction projects, including full and part time inspection and record keeping.
- Providing the Department with construction oversight of LPA Federally funded construction projects, including full time inspection and record keeping.
- Providing the Department with construction related engineering services for federal and state funded projects.
- Providing environmental expertise to meet environmental regulations and related engineering needs related to construction.
- Assuring the contractors' compliance with the plans, specifications and environmental commitments for various transportation, highway, and bridge construction projects.
- Record keeping and reporting, including the Office of Labor Compliance requirements.

Professional Engineer licensure, as well as Licensed Land Surveyor licensure, in the State of New Hampshire is required. Local Public Agency (LPA) and Office of Federal Compliance (OFC) Certifications are required.

Consultants submitting a Letter of Interest will be assessed on their capability to perform the above-mentioned services as well as their availability to respond rapidly to on-call assignments.

Task Orders for construction inspection and construction field work services will be paid using Specific Rates of Pay for hours worked. Task Orders for engineering services assigned under these Agreements will be negotiated as either a cost-plus-fixed-fee or lump sum method of compensation.

CONTACT INFORMATION:

For additional information contact C.R. Willeke, Bureau of Planning and Community Assistance, at Charles.R.Willeke@dot.nh.gov.

CLOSING DATE:

Interested firms must submit a Letter of Interest, no more than two (2) pages long, with one (1) additional page identifying three (3) current professional references, on or before February 1, 2023 to: Tobey Reynolds, PE, Assistant Director of Project Development, Chairperson, Consultant Selection Committee, via e-mail (receipt will be confirmed): Tobey.L.Reynolds@dot.nh.gov.
