

STATE OF NEW HAMPSHIRE

PROJECT SOLICITING FOR INTEREST

Statewide On-Call Environmental Services (2 Contracts) QUALIFICATIONS-BASED SELECTION CONTRACT

POSTING DATE: August 11, 2023

SCOPE OF WORK:

Two (2) Statewide On-Call Agreements, anticipated to have a maximum value of \$500,000 each over a three-year term, are needed to provide on-call environmental services that may include any and all aspects of environmental analysis necessary to advance permitting, and development of National Environmental Policy Act (NEPA) documentation for transportation projects, including wetland/shoreland impact plan development, and evaluation of:

- Surface waters and wetlands,
- Groundwater,
- Shorelands,
- Floodplains/floodways,
- Water quality,
- Farmland soils,
- Parks/recreation areas,
- Conservation areas,
- Section 4(f) resources,
- Section 6(f) resources,
- Wildlife and wildlife habitats,
- Fisheries and stream crossings,
- Threatened and Endangered species,
- Historic and archaeological resources,
- Noise studies,
- Air quality studies,
- Invasive species,
- Coastal Zone Management areas,
- Essential Fish Habitat, and
- Hazardous/contaminated materials.

Tasks may also include preliminary and construction engineering in support of environmental assignments, as well as assistance with public involvement.

Consultants submitting a Letter of Interest will be assessed on their capability to perform the above-mentioned services, experience of the firm and staff, availability to respond rapidly to on-call assignments, and their current workload with the Department.

This work will require:

- Professional Engineer licensure in the State of New Hampshire,
- Qualifications as a wildlife biologist,
- Qualifications as a Certified Wetland Scientist in the State of New Hampshire, and
- Cultural resources staff who meet the *Secretary of the Interior's Professional Qualifications Standards*.

Task orders assigned under these Agreements will be negotiated as either a cost-plus-fixed-fee, or a lump-sum method of compensation.

CONTACT INFORMATION:

For additional information contact Jonathan Evans, Project Management Section Chief, Bureau of Environment, at (603) 271-4048, or Jonathan.A.Evans@dot.nh.gov.

CLOSING DATE:

Interested firms must submit a Letter of Interest, no more than two (2) pages long, with one (1) additional page identifying three (3) current professional references, on or before September 14, 2023 to: Tobey Reynolds, PE, Assistant Director of Project Development, Chairperson, Consultant Selection Committee, via e-mail (receipt will be confirmed): Tobey.L.Reynolds@dot.nh.gov.

SERVICES REQUIRED:

AIR, ARCY, ENV, HAZ, HIST, NOIS, PINV, WET, WQS
